Blaze King Industries-Walla Walla Washington
Valley Comfort Systems, Inc.-Penticton, B.C. Canada

Blaze King Industries of Walla Walla Washington and parent company Valley Comfort Systems, Inc. of Penticton, B.C. Canada, have approved, based on ITS/Warnock Hersey tests results, American Metal Products, brand name AmeriVent, to be used with Blaze King Direct Vent gas models Pegasus 9603, Traditional 9603 and Contemporary 6003. ITS/Warnock Hersey tests deemed it acceptable to be used on the above listed units.

This provides for a winning combination for all hearth & fireplace professionals as it expands options to dealers when installing Blaze King direct vent appliances.
