Ref: American Metal Products

Dear Mr. Chow,

Testing has been satisfactorily completed for the Direct Vent Caps produced by American Metal Products for your 116 DV and 320 DV Series Direct-Vent Fireplaces. The testing was done at American Metal Products, Olive Branch, MS.

The updated reports with the vent caps as alternate construction will be sent to you as soon as possible. Please use this letter as approval for production.

If you have any questions, please call.

Sincerely,

Robert W. Jacobs

cc. Derald Dancy, American Metal Products
